INATBA offers public and private developers and users of DLT a global forum to interact with key stakeholders and bring blockchain technology to the next stage.

JOIN OUR GLOBAL COMMUNITY OF EXPERTS TO PUSH THE ECOSYSTEM FORWARD & SHOWCASE YOUR EXPERTISE WHILE WORKING AT THE INTERSECTION OF REGULATION & INNOVATION!

WWW.INATBA.ORG
INATBA – At a glance

Launched in 2019 with the support of the European Commission, INATBA – International Association for Trusted Blockchain Applications, is a highly influential Association in advocating for Blockchain and DLT adoption in Europe and globally.

INATBA is mainly known for its credibility with regulatory authorities and policymakers and is appraised for its contributions to Markets in Crypto Asset Regulation (MICA), Transfer of Funds Regulation (TFOR), electronic Identification, Authentication and Trust Services (eIDAS), CHAISE Project, EU Pact for Skills, Academic & Governmental Advisory Bodies, and its passionate diverse global community of CEOs, CTOs, Heads of Policy, Public/Institutional Relations, Legal, Marketing, BizDev, Developers and Policymakers.

At INATBA, we believe regulation and blockchain innovation can co-exist, and part of our mission is to raise the voices of industry players to keep pushing for change.

WHAT WE DO
- Produce thought leadership outputs
- Position papers and statements on regulatory frameworks
- Share best practices, guidelines and standards
- Interact with regulators & policy makers

Constructive Dialogue

DLT Applications

Launched in 2019 with the support of the European Commission, INATBA – International Association for Trusted Blockchain Applications, is a highly influential Association in advocating for Blockchain and DLT adoption in Europe and globally.

INATBA is mainly known for its credibility with regulatory authorities and policymakers and is appraised for its contributions to Markets in Crypto Asset Regulation (MICA), Transfer of Funds Regulation (TFOR), electronic Identification, Authentication and Trust Services (eIDAS), CHAISE Project, EU Pact for Skills, Academic & Governmental Advisory Bodies, and its passionate diverse global community of CEOs, CTOs, Heads of Policy, Public/Institutional Relations, Legal, Marketing, BizDev, Developers and Policymakers.
ABOUT US - Structure & Key pillars

**Policy, education and standards**
- engaging with regulators & policy makers
- responding to industry consultations & driving advocacy efforts
- bringing key stakeholders together for constructive dialogue

**Industry Applications**
- showcasing promising use-cases across sectors
- nurturing innovation & promoting industry best practices
- representing industry leaders in global discussions

**Ecosystem Growth**
- promoting interoperability, supporting standardisation and advancing best practices
- creating sustainable impact while facilitating blockchain adoption globally
Government & Academic Advisory Bodies (GAB/AAB)

INATBA’s Governmental Advisory Body (GAB)

is a unique resource for national authorities, government officials, policy makers, and supranational organisations to navigate blockchain technology developments and regulatory landscape worldwide.

42 Members, representing 32 countries & 12 supranational organisations

INATBA’s Academic Advisory Body (AAB)

brings together top academic experts and researchers in blockchain technology, providing a platform for collaborative research, education, and innovation in this rapidly evolving space.

62 Members, representing 21 countries

=> Knowledge sharing & learning
=> Regulatory dialogues
=> Education
=> Global blockchain convergence
A GLOBAL COMMUNITY - Industry members
INATBA Working groups & Taskforces
