

HYPERLEDGER MEETUP Public Sector SIG

Review US Executive Order on Digital Assets

We'll review the order announced on 3/9/22 and discuss impacts:

- * safeguards for digital asset development
- * controls to mitigate illicit finance
- * sustain United States financial power
- * help underserved communities
- * reduce climate impacts and illicit activities

Join the discussion as we review the order and potential impacts on crypto, CBDC, all digital assets and the financial markets
