Global Scouting of DLT / Blockchain Educational Opportunities

June 2021

HYPERLEDGER
BLOCKCHAIN TECHNOLOGIES FOR BUSINESS

Why do this Project?

Learning about blockchain and DLT is
Difficult.

Overwhelming amounts of unorganised information, scattered across web

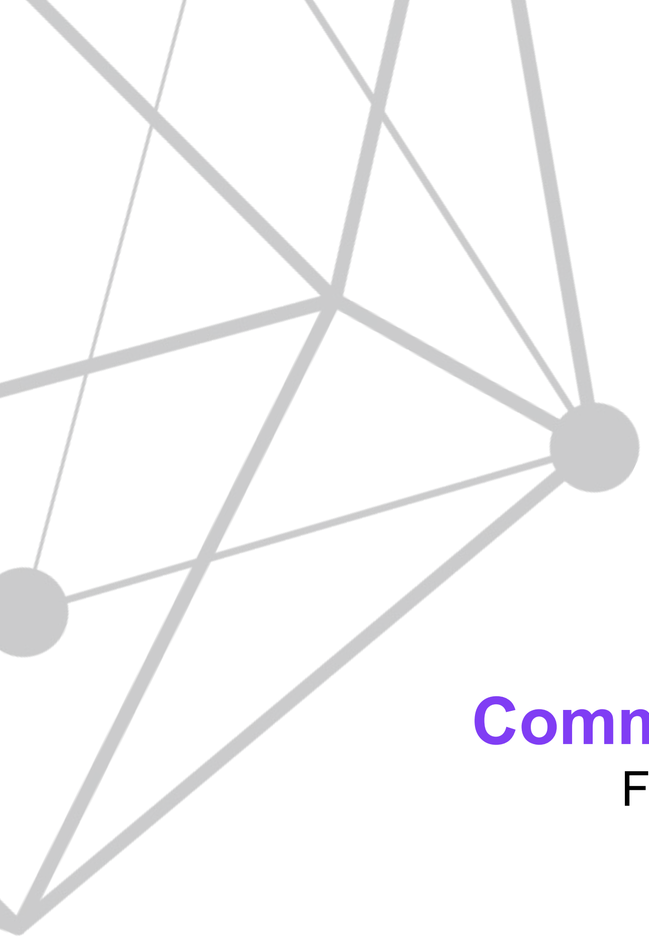
We will get to grow the community
of learners

New comers to blockchain will have a great tool to quickly learn

Barrier to entry for DLT in general will
lower.

We will create a great Learning Community

Our Plan



Questionnaire
Will help gather feedback

Community
Feedback

Enumerating
Resources using
Automation

Knowledge Graph
A Graph Database

Community will
Validate and Filter

What we will Achieve

A Global Directory

With a detailed Taxonomy for Learning Resources

A Thriving Community

Diverse & Interested in Curation of Learning Resources for DLT

Knowledge Graph

A Visualised Graph Database, which will help in navigating the taxonomy

CALL TO ACTION

Answer the questionnaire.

Contribute to Taxonomy and the knowledge graph

Help **Contribute to the development** of Knowledge Graph.

Help us curate the results.
