18:17:40   From Joaquin van Peborgh : Eager to hear more about this next session! Need to go cook lunch.

18:17:42   From Joaquin van Peborgh : Thanks!

18:23:34   From Regis Eloi (IDLab) : Apologies for crashing your meeting today. The same zoom link is posted on https://wiki.hyperledger.org/display/ARIES/Aries+Working+Group.

18:25:55   From Alex Ivan Howard : Ah! Thanks, Regis.

18:26:05   From Alex Ivan Howard : You are still very welcome, nonetheless.

18:30:56   From Alfonso Govela : Diagram sent via email to Christiaan and Alex

18:31:12   From Alex Ivan Howard : Thank you very much, Alfonso.

18:31:24   From Alfonso Govela : don't mention it. my pleasure

18:35:39   From Christiaan Pauw : https://github.com/aartum/CA2-SIG-StandardsWG/tree/main/Schemas/JSON

18:42:07   From Christiaan Pauw : Global Standards Mapping Initiative?

18:44:47   From Alex Ivan Howard : https://gbbcouncil.org/news/gsmi-2-0-announcement/#:~:text=GBBC%20and%20Industry%20Partners%20Release%20Global%20Standards%20Mapping%20Initiative%202.0,-Nov%2016%2C%202021&text=GSMI%202.0%20maps%2C%20catalogues%2C%20and,of%20the%20industry's%20global%20activity.

18:54:27   From Alex Ivan Howard : Alfonso, maybe a good starting point will be to look at Slack and Discord and see what tools they have for collaborating on complex documents and projects.
