Hi Elisabeth. Welcome.

18:35:43 From Elisabeth Green to Everyone:

Alfonso, like a look up table?

18:36:32 From Kyle Robinson to Everyone:

Here's an early draft example of a ToIP Level 3 credential framework (governance document): [https://www.gleif.org/content/3-lei-solutions/7-gleifs-digital-strategy-for-the-lei/2-introducing-the-verifiable-lei-vlei/2022-02-07\\_legal-entity-vlei-credential-gf-draft-publication\\_v0.9-draft.pdf](https://www.gleif.org/content/3-lei-solutions/7-gleifs-digital-strategy-for-the-lei/2-introducing-the-verifiable-lei-vlei/2022-02-07_legal-entity-vlei-credential-gf-draft-publication_v0.9-draft.pdf)

18:38:07 From Elisabeth Green to Everyone:

"big guys" are actors in this scheme.

18:39:56 From Elisabeth Green to Everyone:

We use hard science for governance. We made this "look up table" compatible with legal schemes across the world.

18:49:52 From Alfonso Govela to Everyone:

Elisabeth, yes, it could be a Table, in its simple form
