who's going to pay for reporting activities? volunteer only unpaid work? the net zero customer as well as the major polluter?

17:47:03 From Catherine Atkin to Everyone:

<https://ghgprotocol.org/Third-Party-Databases/IPCC-Emissions-Factor-Database>

17:48:30 From Alex Ivan Howard to Everyone:

@Elisabeth: Reporting in which context are you referring to? Corporates who wish or are obliged to report their activities will typically pay for the reporting themselves. Individuals who wish to report their impacts will also typically be willing to pay for the reporting themselves. Perhaps I am not understanding your question?
