

17:27:49 From Elisabeth Green : In jurisdictional REDD+, the program proponent may be a government. How will the labor and work rights component be assessed there? is it expected that carbon standards include the evaluation of work conditions of all the government employees?

17:32:15 From Elisabeth Green :  
[https://standards.incits.org/apps/group\\_public/download.php/131246/eb-2021-00288-001-INCITS-Inclusive-Terminology-Guidelines.pdf](https://standards.incits.org/apps/group_public/download.php/131246/eb-2021-00288-001-INCITS-Inclusive-Terminology-Guidelines.pdf)

17:45:01 From Lowellyne : Environment is defined as “the atmosphere, hydrosphere, lithosphere, ecosystem processes and all human and non-human life forms”

17:53:05 From Elisabeth Green : high integrity carbon credit Consultation due Sept 27. Mine is at <http://green247.org/carbon.htm>

17:55:48 From Alfonso Goveia : Have to leave. Thank you for a good conversation. Have a great week!
