Glad to see you again. Apologies, I got lost within the calendar

18:23:17 From Alfonso Govela To Everyone:

for reasons I don't understand, I am not getting the e-mail notifications for this call

18:38:12 From Alfonso Govela To Everyone:

claims can be supported by evidence, and the facts of that evidence are verifiable

18:39:30 From Alfonso Govela To Everyone:

the framework of ToIP, Trust over IP Foundation, has been quite useful to me for understanding claims, credentials and verification

"Time" is VERY relevant and interesting consideration

18:45:22 From Alfonso Govela To Everyone:

it is interesting that the Time Ontology is publish by the Spatial Data on the Web Working Group
