18:13:07   From Alex Howard : https://www.thelexicon.org/

18:27:12   From Elisabeth Green : Http://green247.org/credit.htm

18:30:30   From Dr Lowellyne James : Well done @Elisabeth

18:38:40   From Elisabeth Green : Bobbi and Tracy provided templates for the Mentorship
program at https://wiki.hyperledger.org/display/INTERN/Mentorship+Projects .

From Bobbi

https://github.com/hyperledger/toc/issues/46

https://wiki.hyperledger.org/display/TSC/Documentation+Task+Force

From Tracy

https://github.com/hyperledger-labs/hyperledger-labs.github.io/pull/228

https://tkuhrt.github.io/documentation-template/0.1

18:39:20   From Elisabeth Green : Consider mentorship to add a polluter-payer healthcare
option to the dapp at https://emissions-test.opentaps.org .

18:41:41   From Alex Howard : https://www.thelexicon.org/

18:45:09   From Elisabeth Green : https://triplydb.com/

18:46:01   From Alex Howard : https://www.w3.org/TR/shacl/

18:46:11   From Christiaan Pauw : 1. Use SSSOM to map existing vocabularies to AIAO

18:46:50   From Christiaan Pauw : 2. Develop a SHACL shape graph to map data to AIAO

18:48:39   From Alex Howard : https://www.ebi.ac.uk/spot/zooma/

18:49:04   From Christiaan Pauw : 3. Tag case studies according to AIAO (possibly using
zooma) upload into triple store

18:49:47   From Christiaan Pauw : 4. Train AI to annotate further documents

18:55:15   From David Boswell to Alex Howard(Direct Message) : Hi Alex — could you please
set me as host before you leave? I'm running a call on this Zoom room right after this call ends.

18:55:49   From David Boswell : For anyone dialing in for the meetup about Byzantine Swaps
we'll be starting that in a few minutes. Another call is finishing up.

18:58:10   From Christiaan Pauw : Insetting vs. offsetting

18:58:38   From Alex Howard to David Boswell(Direct Message) : Sure! Will do :)

18:58:45   From David Boswell to Alex Howard(Direct Message) : Thanks

18:59:27   From David Boswell : For anyone dialing in for the meetup about Byzantine Swaps
we'll be starting that in a few minutes. Another call is finishing up.
