Letterhead of the University/Institute

Ref:
Date:

I am willing to express my enthusiasm and support for the establishment of a new student chapter of the Hyperledger India Chapter (HIC) student society chapter at our *college/institute/university.

As the *Dean of the/principal, I have witnessed the rapid growth and signific advancement of blblockchain technology in various sectors. Hyperledger, with its open-source frameworks and collaborative community, has emerged as a leading platform for enterprise blockchain solutions. Recognizing the potential of the Hyperledger Foundation in fostering innovation, industry partnerships, and academic research, we believe that establishing a student chapter at our university will greatly benefit our students and the wideracademic community.

By initiating a student chapter, we aim to create a platform for students to explore, learn, and contribute to blockchain technologies, specifically focusing on Hyperledger frameworks. The student chapter will serve as a hub for networking, knowledge sharing, and collaboration among students, faculty members, industry professionals, and Hyperledger experts.

Here are the details of the faculty coordinators to look over the activities of the HIC student society chapter at our campus.

Society Name:
Point of Contact Email:
Faculty Advisor:
    1.
    2.

Our *department/university/institution will abide by the rules & regulations of the Hyperledger Foundation and Hyperledger India Chapter Student Society as listed at https://wiki.hyperledger.org/.

Student List: Enclosed in Excel sheet.

Signed and stamped.

* modify as per situation
