The 1st Hyperledger Bootcamp in Hong Kong - March 7- 8

• 1 press release issued by Cyberport
• 8 articles submitted by TWGC, Huawei Caliper team, David Liu, Edmund To, Caliper new contributor and participants.

“It was an excellent experience for me. I have been to community events before. But this was the first very technical one. Such events should be conducted more often to help the community grow and mature …… “ Rajeev Ranjan Hyperledger Sawtooth contributor

“We had a great time!” Nathan George, Hyperledger Indy maintainer

“Really appreciate it. Happy to be there to talk to people who care about Hyperledger. Thanks a lot.” Tong Li, Hyperledger Cello contributor

“Thank you so much for the organization of such an inspirational event! It was a pleasure for me to participate, to share my knowledge and to communicate with many people who are interested in Hyperledger Iroha …… “ Vadim Reutskiy Hyperledger Iroha maintainer

“We had fruitful & productive sessions, recruited new contributor and more help from the community which are great motivations for Huawei Caliper team to continue contributing to Hyperledger Caliper project.”
Thanks!
