

Technical Steering Committee

Please visit the new home of the TSC

The Technical Steering Committee (TSC) consists of 11 elected members of the technical contributor community. The responsibilities of the TSC are to steer the technical direction for Hyperledger. A full set of TSC responsibilities are defined in the [Hyperledger Charter](#), but include:

- Creating [working groups](#) to focus on cross-project technical issues or opportunities
- Approving [project proposals](#) in accordance with the [project lifecycle](#)
- Reviewing project and working group updates according to the [this calendar](#).

The TSC election is held every August. More information about elections can be found here: [TSC Election 2019](#)

The TSC has a weekly meeting on Thursdays at 10am EST / 2pm GMT: join from PC, Mac, Linux, iOS or Android: <https://zoom.us/my/hyperledger.community.backup>

Check the [calendar](#) for timezone information.

Please join the [mailing list](#) and the [chat channel](#) to stay up-to-date.
