Meeting Notes for 9/21/2019

- Welcome (Mark)
- Updates
  - Multi-Project Kanban Board on Hyperledger JIRA
    - Reviewed the progress on Grid stories, with a focus on Catalog RFC, Location RFC and next steps for Grid documentation (beyond alignment on the Table of Contents)
  - Grid RFCs and PRs
    - Grid Catalog RFC is ready for review. I have opened up the vote for FCP (Adeeb)
    - Is there any open comments about the RFC before it can enter FCP? (Matt)
      - I think there are several of us need to read it still so it may be a little premature for FCP (Shawn)
