Iroha: Questions, Answers and Chit-chat

Session Topic or Project
During this session our expert will be available for answering your questions, receiving feedback, discussing further plans, considering use cases and covering other topics related to the Hyperledger Iroha.

Session Leader
Mikhail Boldyrev Eugene Kovalev

Time Slots and Spaces
Time slot: Day 1

Experience Level of Participants
Beginner

Session Language
English or Russian

Other Prerequisites
Please, come with any type of questions regarding the Iroha.

The Plan
There will be no particular plan, just interactive discussion.

In case of any questions, which are going wider than area of expertise of our representative, they will be written down and addressed to corresponding specialists. Answers on these questions can be obtained during the upcoming Advanced Iroha sessions.
