

Special Interest Group Kiosk

Working Groups and Special Interest Groups

Please remember there are several groups that are interested so Only sign up for one slot at first. As we get closer to the event and still have spaces then the CA team will open it to more than one slot!

We are also working on getting each of these groups to record a 2-5 minute YouTube video with our Video Team. [Please sign up for video slots here!](#)

Remember to arrive at least 15 min before your slot begins!

We will close this Page on Feb 28th so that signs can be printed for the event.

Thank you!

The Community Architects Team
