2019-01-23 Agenda

1. CI/CD pipeline: we have a lot of discussion to do on this. Ry will be our celebrity guest for this meeting so hopefully we can figure out everything we need to move forward.
2. (Mike) Discussion on zmix primitives, continued from the Sovrin crypto meeting.
3. (Dave/Cam) Ursa RFC stuff, as discussed in chat.
4. outstanding RFCs and PRs
