

# State of the Social Impact Ecosystem

## Project Description

We would like to develop a blog post that highlights blockchain for social impact use cases

## Sectors

Sectors	Current Landscape	Common Use Cases	Representative Companies
Agriculture and Land Rights	<a href="#">Vinod Ahuja</a>		
Climate and Environment	<a href="#">Shawn Wilborne</a>	<a href="#">Shawn Wilborne</a>	
Digital Identity			
Financial Empowerment			
Governance and Democracy			
Health and Wellness			

## Survey Questions

Develop 5-10 questions that can drive further research
