Hyperledger Fabric Study Circle

Introduction

As part of our effort to upskill students all over the nation on Hyperledger Technologies, we are launching a 2-month Study Circle on Hyperledger Fabric. We will be joined by industry professionals and practitioners to help us along the way.

The study circle aims to help students and professionals to get acquainted with the practical aspects of Hyperledger Fabric and to interact with eminent resource persons in the field.

Goals

The goals of the Study Circle are to:

- Help promote the adoption of Hyperledger projects.
- Grow the Hyperledger user and promote the student developer community.
- Provide a platform for guidance, support, and collaboration.
