Technical Steering Committee Home

The Technical Steering Committee (TSC) consists of 15 elected members of the technical contributor community. The responsibilities of the TSC are to steer the technical direction for Hyperledger. A full set of TSC responsibilities are defined in the Hyperledger Charter, but include:

- Creating working groups to focus on cross-project technical issues or opportunities
- Approving project proposals in accordance with the project lifecycle
- Reviewing project and working group updates according to the this calendar.

The TSC election is held every August. More information about elections can be found here: TSC Election 2020

The TSC has a weekly meeting on Thursdays at 10am EST / 2pm GMT: join from PC, Mac, Linux, iOS or Android: Zoom Link

Check the calendar for timezone information.

Please join the mailing list and the chat channel to stay up-to-date.
