

# Inactive Groups

This section tracks groups that are not currently active. If anyone is interested in restarting activities and discussions in these groups, please feel free to do so. You can click through the link below to find out more about what the group had been doing and you can also find a link to the group's mailing list. Feel free to subscribe to the list and introduce yourself and post any thoughts, questions or suggestions you have about the group. If there is interest in reactivating the group, we can relaunch it if there is interest from group members in doing that.

Name	Description	Status
<a href="#">Education Architecture SIG</a>	The Education Architecture Special Interest Group (EASIG) will explore and advise on issues related to integration with legacy application infrastructure of learning management systems (LMS), Student Information Systems (SIS), Enterprise Resource Planning (ERP), Integrated Library Systems (ILS), Instructional Apps, Customer Relationship Management Systems (CRM), Human Capital Management (HCM), Cloud Computing models (SaaS, PaaS, IaaS, Hybrid), and self-sovereign digital identity. In addition, this group will investigate the integration of data across the multiple institutional, informal, and workplace learning experiences in the student's lifetime of learning, and whether these can be integrated into a comprehensive record of an individual's knowledge, skills, and ability.
