The Technical Steering Committee (TSC) consists of 15 elected members of the technical contributor community. The responsibilities of the TSC are
to steer the technical direction for Hyperledger. A full set of TSC responsibilities are defined in the Hyperledger Charter, but include:

- Creating working groups to focus on cross-project technical issues or opportunities
- Approving project proposals in accordance with the project lifecycle
- Reviewing project and working group updates according to the this calendar.

The TSC election is held every August. More information about elections can be found here: TSC Election 2020

The TSC has a weekly meeting on Thursdays at 10am EST / 2pm GMT: join from PC, Mac, Linux, iOS or Android: Zoom Link

Check the calendar for timezone information.

Please join the mailing list and the chat channel to stay up-to-date.
