

Audits

Security Audit

When Hyperledger Aries reaches their first major release, Hyperledger will execute an external security audit of the code.

License Audit

Hyperledger Aires will be a part of the next license audit.

License Audit Fixes

key	summary	type	created	updated	due	assignee	reporter	priority	status	resolution
<div> JQL and issue key arguments for this macro require at least one Jira application link to be configured</div>										

Crypto Audit
