

2019-07-10 Meeting Notes

1. Discussion of pull requests.
 - a. Closing PR on Ursa performance—original author hasn't responded to requests for changes after several attempts to contact.
 - b. Several other PRs outstanding, most from Lovesh—dealing with licensing issues.
 - i. Bulletproofs stuff
 - ii. Verifiable encryption
 - iii. We need reviews from the math side (Manu/Maria/Hart) and Rust side (Dave/Dan)
