

Technical Oversight Committee Home

The Technical Oversight Committee (TOC) consists of 11 elected members of the technical contributor community. The responsibilities of the TOC are to steer the technical direction for Hyperledger. A full set of TOC responsibilities are defined in the [Hyperledger Charter](#), but include:

- Creating [task forces](#) to focus on cross-project technical issues or opportunities
- Approving [project proposals](#) in accordance with the [project lifecycle](#)
- Reviewing project updates according to the [this calendar](#).

The TOC election is held every fall. More information about elections can be found here: [TSC Election 2021](#), [TOC Election 2022](#)

The TOC has a weekly meeting on Thursdays at 10am EST / 2pm GMT: join from PC, Mac, Linux, iOS or Android: [Zoom Link](#)

Check the [calendar](#) for timezone information.

Please join the [mailing list](#) and the [Hyperledger Discord \(#toc\)](#) to stay up-to-date.
