

2019 Q4 Smart Contracts WG

Smart Contracts Working Group

Working Group Health

The overall health is Good. We have new working products. New contributors/participants are joining constantly but many not steadily. Some others join steadily and contribute.

Questions/Issues for the TSC

No issues at the time.

Participant Diversity

Women started attending WG meetings and contributing. Our diversity is on a good track.

Additional Information

We want to start hosting small talks about 15-20 minutes from guest speakers
