Contributor Meetings

Hyperledger Fabric contributor meetings occur every 3rd Wednesday of the month at 9am US Eastern (13:00 UTC during daylight savings time, 14:00 UTC otherwise)

Typically each Contributor Meeting will include a quick release update and one or more deep dive topics from the community.

If you would like to propose an agenda topic for a future meeting, please post to Discord fabric-code-contributors channel with the topic, presenter name, and expected duration.
