- Meeting ID: 403 498 3298

Attendees:

Agenda Items

These are open calls, so please feel free to add items that you'd like to discuss on the call.

Antitrust Policy Notice

Linux Foundation meetings involve participation by industry competitors, and it is the intention of the Linux Foundation to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of, and not participate in, any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.

Examples of types of actions that are prohibited at Linux Foundation meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at <http://www.linuxfoundation.org/antitrust-policy>. If you have questions about these matters, please contact your company counsel, or if you are a member of the Linux Foundation, feel free to contact Andrew Updegrave of the firm of Gesmer Updegrave LLP, which provides legal counsel to the Linux Foundation.

All are Welcome in the Hyperledger Community

Hyperledger is committed to creating a safe and welcoming community for all. For more information please visit our Code of Conduct: [Hyperledger Code of Conduct](#)

Discussion topics

- Introductions from people new to the call
- Discussion on progress of IoT White Paper
 - Process for getting this reviewed by TSC prior to publishing and working with copywriter and designer
 - Note that July is #HyperledgerIoT month for the Marketing Committee and they welcome any IoT related stories to promote on social media
- Planning for future presentations
