2021 05 11 Standards WG

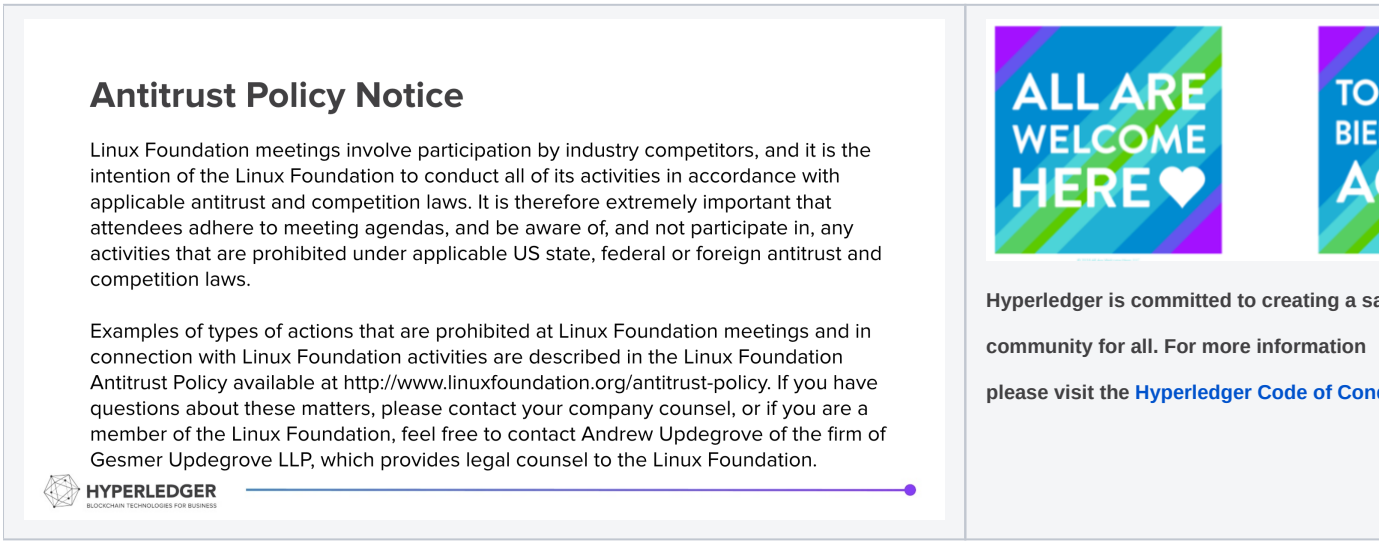

Agenda:

Test our ontology against the simplest case of climate impact reporting, namely offsetting one's personal carbon footprint. We will discuss and compare two different methods for doing so. If you would like to prepare for the session, we suggest you look at the following two examples:

- https://www.footprintcalculator.org/
- https://offset.climateneutralnow.org/footprintcalc
